Sir:

In response to the final Office Action dated September 3, 2008 in the above identified application, it is respectfully requested that the presently claimed invention be reconsidered in view of the following amendments and remarks. The amendments find full support in the claims, specification or drawings as filed. Amendments to the Claims are reflected in the listing of claims beginning on pages 2 of this Amendment. Remarks begin on page 6 of this Amendment. Applicants respectfully assert that the amendments place the claims in form for allowance or, alternatively, in better form for consideration upon appeal.
